

## Car holder compatible with Magsafe charger

SKU: TESUPCLIPMODMS

### Hold your iPhone securely while driving and charge it at the same time with your MagSafe power adapter

#### Quick and easy to fix onto you car air vent

The **compatible holder with MagSafe charger** features an **adjustable clip** on the back so it can attach **to any model of car vent** comfortably and fast. In just one step, you can attach it and position your phone.

#### MagSafe iPhone compatibility

The **car holder** has a special circular slot where you can insert your MagSafe power adapter to charge your iPhone wirelessly.

Simply rotate the **adjustable side clamps** backwards to attach it to the stand using the **magnetic attraction exerted by the MagSafe power supply**.

#### You choose how you want to view the screen optimally

The **MagSafe charger compatible car holder** features the **swivel pivot on the back** that provides optimal screen viewing.

You choose how to orient the device in the direction you want to comfortably browse maps while driving.

#### Key features:

- Car holder with swivel pivot for optimum screen display
- Universal attachment to the car's air vent by means of an adjustable clip at the back

- Adjustable side clamps compatible with most Apple iPhones up to 8.5cm wide
- Circular slot for MagSafe power adapter attachment for wireless iPhone charging
- Device attached magnetically to the MagSafe power supply unit
- MagSafe power supply not included in package
