

## Extreme X3 Cover for iPhone 15

SKU: TEUNBKEX3IP1561

**Your smartphone will be protected even if it falls from a height of 3 metres**

### LIGHTWEIGHT, TRANSPARENT AND ULTRA RESISTANT

The **Extreme X3** cover is perfect for protecting **iPhone 15** from bumps and scratches. It wraps around your smartphone perfectly without making it look bulky, and with its **transparent** design, you won't even notice it's there. The **materials** with which it is made (**TPU + TPE**) make the Extreme X3 cover an **excellent combination of resistance and lightness**.

It also protects the **camera area protected** but at the same time ensuring that photos and videos are always created smoothly through the **rear holes**.

### IT HAS PASSED DROP TESTS FROM A HEIGHT OF UP TO 3 metres

The **cover Extreme X3** has passed specific tests that have certified its **resistance to falls from a height of up to 3 metres**. The particular **reinforced edges**, in fact, cushion the blow distributing it throughout the cover.

The **edges also cover the side buttons** offering complete protection for your phone without making it less practical to use.

### KEY FEATURES:

- certified by drop tests from a height of up to 3 metres
- camera holes
- material: TPU + TPE
- reinforced edges
