

Virtual reality viewer for smartphones

SKU: TEVRBOX360

VR viewer for smartphone compatible with both iOS and Android

Enter the world of virtual reality with this **3D viewer** for smartphones and access a new frontier! This is an essential accessory for those who love mobile gaming and want to take their experiences to the next level, or for those who simply want to enjoy natural or virtual environments by using virtual reality technology.

Designed for use with **devices up to 6"**, these virtual glasses allow you to plunge into exciting adventures thanks to their **360 degree view** that is intended for use with games, pictures or videos that have been specifically designed to deliver total immersion in incredible adventures.

Using the viewer is easy: just insert your smartphone into the slot, adjust the lens to suit your eyes and it is ready for use.

Features:

- Adjustable lenses and straps
- Suitable for use with smartphones up to 6"
- Ergonomic design

Download the PDF in "Documents" for the latest list of some compatible apps.
