

Smartphone holder compatible with Magsafe

SKU: CMSTANDMSGMP

View photos and videos and take selfies with the maximum ease

Suitable for taking selfies and watching videos in total comfort

The **smartphone holder** makes it easy to hold your phone firmly and comfortably when you are taking **selfies**. It is also very useful for **viewing videos and photos** and also for **writing**: holds your smartphone horizontally or vertically, so you can use it hands-free.

Easy to use

Raise the practical **little ring** and run it through your fingers. This will give you a firm **grip** of your smartphone, enabling you to take **selfies** comfortably. Alternatively, **by fixing the ring** in the appropriate slot, you can use it as a **stand** so you can view photos and videos in comfort. When not in use, **you can close it** and fit your phone in your pocket without clutter.

Adhesive or magnetic attachment compatible with Magsafe

The adhesive enables you to attach it to the back of **any mobile**, Apple, Samsung, Xiaomi, Huawei, Oppo and many other brands. If, on the other hand, you have an **iPhone** with MagSafe charging, you can attach it simply by bringing it closer, thanks to the integrated magnet.

Customize your smartphone

The smartphone holder is available in trendy colours and patterns. Give a **unique and personal** touch to your device.
