

Power bank 8000 mAh LCD

SKU: TEBB8000POCLCD

Portable quick-charging charger with Intelligent Charge, Dual Charge and equipped with 1 Micro USB input and 2 USB outputs of 1A and 2.1A, white colour

ENERGY IN YOUR HANDS

The **8000 mAh Pocket Power Bank** with LCD display is a practical and innovative accessory. Its super compact dimensions make it unique: a concentration of energy in the palm of your hand, useful for any eventuality.

POCKET INNOVATION

This pocket charger stands out thanks to the various technological solutions adopted. The special **Dual Charge** system allows you to recharge the Power Bank while the accessory is in turn powering devices. The **Intelligent Charge** technology characterises the 2.1A USB output: this external battery can recognise the maximum power that can be absorbed by your device and regulate accordingly. This allows you to have the maximum recharge in the shortest possible time. The **digital LCD display** also indicates precisely the charge percentage of the power bank.

SPEED AT YOUR SERVICE

Pocket Power bank is the right accessory for those who want to power their devices quickly. In just 30 minutes, the charge level of your smartphone will already be at **50%**. Moreover, its two USB outputs enable you to charge two devices at the same time.

EVEN IN AN AEROPLANE: ALWAYS AT YOUR SIDE

The Pocket Power Bank can be easily recharged: the USB-Micro USB power cable is already included in the package. In addition, you can also bring it **on a plane without restrictions**: its energy will always be by your side.

FEATURES:

- Capacity: 8000 mAh
- Pocket-sized and ultra-light
- Intelligent Charge
- Dual Charge
- LCD Display
- Input: Micro USB
- Output: 2 USB of 1A and 2.1A
- Lithium polymer battery

- Smartphone charge level after 30 minutes con Intelligent Charge: 50%*
- USB charging cable - Micro USB included

*Charging times are approximate and depend on the battery capacity of the recharged device.
