

USB-C - USB-C fabric cable with cable clip, 1.5 m

SKU: TECABLETISUETCCK

Soft and Tangle-Free: Charge and transfer data easily and conveniently

For all your devices with USB-C port

The **fabric cable** lets you charge your devices with a compatible port by connecting them to a mains charger or power bank. Supports **Power Delivery** technology up to **60 Watts** of power. In this way, you can always recharge any device with maximum efficiency and speed.

Charging and data transfers are always convenient with the USB-C connector

The **fabric cable** lets you **charge** your devices with a compatible port by connecting them to a mains charger or power bank. The **USB-C connector** can be **inserted from any angle**, meaning you can always connect with ease. By connecting a smartphone, tablet or e-reader to a PC, laptop or MacBook **you can transfer music, video, documents** and other files. As you transfer data, **your device will charge simultaneously**.

The fibre-covering makes the cable soft to the touch

The **USB-C to USB-C cable** is covered in fabric. This feature distinguishes it from standard cables thanks to its soft texture. This cable is not only useful but also **pleasant to use**.

Anti-tangle and with cable clip: suitable for any occasion and always ready to use

If you're struggling to find a cable that's always tidy, your search is over. The cable's **anti-tangle finish** makes knots and tangles a thing of the past. Thanks to the **cable clip with velcro closure**, the cable will always be perfectly tidy and ready for use. Store it in a backpack or handbag with complete peace of mind.
