

## PD 18W in-car charger

SKU: TECRPD18W

### In-car charger with 2.1A Intelligent Charge USB port and 18W Type-C Power Delivery

#### WHY IS IT USEFUL?

It charges your devices at an incredible speed: this **in-car charger** allows you to charge two devices at the same time while traveling.

#### ULTRA FAST

**Using the device is very simple:** connect it to the cigarette lighter/12V socket in your car and insert your device's charging cable into the Type-C port or USB port.

The Type-C port features **Power Delivery technology**: this solution allows you to charge your iPhone X, iPhone 8 and 8 Plus and all PD-compatible smartphones, tablets and iPads extremely quickly. In just 30 minutes your device will have reached 80% of its battery level.

#### TWO AT ONCE

You can charge two devices simultaneously by using the **2.1A USB** and **Type-C** ports at the same time. In this case, the Type-C port is not PD compatible but nevertheless guarantees a rapid charge thanks to its 3 Amps.

The USB port features an **Intelligent Charge** system, which allows the charger to automatically recognise the maximum charging capacity of your device and to supply this, providing energy quickly.

#### CARE-FREE TRAVEL

This in-car charger is the perfect accessory for **long trips**. Your devices will never be left with empty batteries.

#### CHARACTERISTICS:

- 1 Type-C port with 18W Power Delivery technology
- 1 2.1A USB port
- Intelligent Charge
- Level of charge of your smartphone/tablet after 30 minutes with the Type-C port: 80%\*

\* these times are approximations only and depend on the device you are charging.
