

4D Full Screen Glass Protector for Samsung Galaxy S10 5G with applicator

SKU: TESC4DSAS105GK

4D screen protector that allows for fingerprint recognition for Samsung Galaxy S10 5G, applicator included

WHY CHOOSE THIS?

The **4D glass screen protector** is a durable, flexible accessory that guarantees optimum protection for your **Samsung Galaxy S10 5G**. Easy to apply, strong and hard-wearing.

GLASS PROPERTIES

This transparent screen protector consists of 9H tempered glass: it's **knock and scratch resistant** and fits perfectly to the screen's surface thanks to its curved edges.

Once the glass has been applied, it allows for **fingerprint recognition**. You can use this important feature on your smartphone without compromising on the strength offered by the protective glass.

EASY, FAST AND PERFECT APPLICATION

The glass is easy to apply to the screen on your device: the product comes with a practical **applicator**, as well as a wet and dry cloth.

Clean the screen and position the applicator around the edge of the device. Rest the glass on the lower base of the applicator and position it perfectly on the display **in a matter of seconds**.

FEATURES:

- Guarantees fingerprint recognition
- Material: tempered glass
- Curved edges to protect the entire display
- Knock and scratch resistant
- Applicator included
