Foldable 100-watt solar panel

SKU: TESOLARCHG100W

Recharge all your devices using solar power

An amazing solar panel designed for long trips in a campervan, car or lorry and for camping

This **solar charger** allows you to recharge all your devices in quick, safe, affordable and **eco-friendly** style. On sunny days, simply open it in a large space to transform solar power into electricity. Use the **built-in stands** to keep it stable on any flat surface. Putting it away is a breeze: **just fold it back up** and fasten it using the velcro, then carry it like a slim briefcase. The practical **handle** makes it easy to transport and store in the boot or cabin of your vehicle. **You can also hang it** from your tent by attaching the carabiners to the tabs on the sides of the panel.

Ultra-fast charging for up to 3 devices simultaneously

The **100-watt** solar panel can power smartphones, tablets, speakers, TWS earphones, smartwatches, e-readers, camping lamps and even laptops. Thanks to the **3 ports**, which can be used simultaneously, you can charge your devices wherever you are. Inside the pocket, you will find an **18-watt USB-A** port, ideal for mobile phones, tablets and small electronic accessories. The **USB-C port with Power Delivery (PD) technology** delivers up to **60 watts** of power, allowing you to also charge compatible laptops and MacBooks. You can also use the **99-watt DC socket** in conjunction with the included cable and adapters to power ASUS, HP, Huawei and Lenovo **laptops that cannot be charged via USB-C,** as well as **Power Stations**.

Large pocket to hold your cables and accessories

The **zipped pocket** can easily fit all your cables, accessories and adapters. You can therefore protect the charging devices from the sun, avoiding overheating.

Key features:

- foldable
- transforms into a briefcase thanks to the built-in velcro fastenings and handle
- up to 100 watts of power
- 3 ports designed for simultaneous use
- 18-watt USB-A port
- 60-watt USB-C port with Power Delivery technology (PD)
- 99-watt DC port
- built-in stands
- zipped pocket
- tabs to attach carabiners

Includes:

- 1 x DC-DC cable (5521)
- 1 x laptop charging cable adapter set
- Instruction manual
- 2 x carabiners

Technical data

Output power: 100W
Input: Solar panels: 5 x 20W (100W)
Output: 100W max
Connector: 1 USB TYPE-C PD, DC, USB A femmina
Plug type: n/a
Technology: Adaptive Fast Charge, Power Delivery (PD)
USB Output: 5V D.C. 3A/9V D.C. 2A/12V D.C. 1.5A (18W)
Charging type: Fast, Power Delivery
Input voltage: N/A
Type C output: 5V D.C. 3A/9V D.C. 3A/12V D.C. 3A/15V D.C. 3A/20V D.C. 3A (PD 60W)
Included accessories: 1 set of laptop charging cable adapters, 2 carabiners, User manual, DC - DC cable (5521)
Color: black
EAN: 8018417452376
SKU: TESOLARCHG100W
Weight: 250 g
Maximum output power: 100 WATT
