

20W wall charger

SKU: TETRPD20W

1 x USB-A + 1 x USB-c PD 20W battery charger

CHARGE ANYWHERE

The **20W Power Delivery battery charger** is excellent for charging your devices rapidly and easily. At home, at a hotel or on the train: wherever you are, you can count on your devices always being charged.

20W ULTRA FAST

Plug this charger into a wall socket using the European plug. The **USB-C port** uses Power Delivery technology: the system allows you to charge your iPhone or any other smartphone, tablet or iPad compatible with the PD protocol extremely quickly. **The 20W power** allows for ultra fast and safe charging that will get your smartphone battery up to 100% in just 45 minutes and your tablet in 90 minutes.*

USB FAST CHARGE

If you plug your device's cable into the green **18W USB-A port**, you'll benefit from **Adaptive Fast Charge technology**. In this way, your smartphone or tablet will be charged not only quickly, but also safely, avoiding overheating and short circuits. Your device's battery is in the best hands.

2 DEVICES TOGETHER

You will be able to charge **two devices simultaneously**, whether Android or iOS, using the USB-A and USB-C ports. In this case, the USB-C port will not use the PD mode, but will nevertheless provide rapid charging.

CHARACTERISTICS:

- 1 USB-C port with 20W Power Delivery technology
- 1 USB-A port with 18W Adaptive Fast Charge
- European plug
- charges smartphones in 45 minutes and tablets in 90 minutes

*Charging times are approximate, and depend on the battery capacity of the device being charged.

20W wall charger
SKU: TETRPD20W

Technical data

LED: Status
Input: 100 - 250 VAC ~ 50/60 Hz
Output: 5V/3A - 9V/2A
Connector: Type C, USB
Plug type: European
Technology: Power Delivery 20W
Charging type: Power Delivery
Input voltage: 100 - 250 VAC / 50-60 Hz
Type C output: PD 20W
Color: white
EAN: 8018417324079
SKU: TETRPD20W
Weight: 20 g
Battery capacity: 3000 mAh
Maximum output power: 20 WATT

The image block contains three distinct visual elements. At the top, a close-up of the AFC (Adaptive Fast Charge) port is shown with a green LED indicator. Below it, a diagram illustrates the Adaptive Fast Charge process, showing a battery icon with a green arrow pointing from 0% to 100% and a clock icon indicating a 45-minute charging time. The text below this diagram reads: "Adaptive Fast Charge: livello massimo di energia per il tuo dispositivo senza sovraccarichi". The middle section features the text "Ricarica in contemporanea i tuoi dispositivi" above an image of the charger's front panel, which includes a Type-C PD port and an AFC port. A small red badge in the bottom right corner of this section reads "PD 20W ULTRA FAST". The bottom section shows a person's hands holding the white charger, with the text "Comodo e funzionale, perfetto per avere i tuoi dispositivi sempre carichi" overlaid on the image.
