

## Extreme X2 Cover for iPhone 15 Pro

SKU: TEUNBKEX2IP1561P

### Your smartphone will be protected even if it falls from a height of 2 metres

#### LIGHTWEIGHT, TRANSPARENT AND ULTRA RESISTANT

The **Extreme X2** cover is perfect for protecting **iPhone 15 Pro** from bumps and scratches. It wraps around your smartphone perfectly without making it look bulky, and with its **transparent** design, you won't even notice it's there. The **materials** with which it is made **(TPU)** make the Extreme X2 cover an **excellent combination of resistance and lightness**.

It also protects the **camera area protected** but at the same time ensuring that photos and videos are always created smoothly through the **rear** holes.

#### IT HAS PASSED DROP TESTS FROM A HEIGHT OF UP TO 2 METRES

The **cover Extreme X2** has passed specific tests that have certified its **resistance to falls from a height of up to 2 metres**. The particular **reinforced edges**, in fact, cushion the blow distributing it throughout the cover.

The **edges also cover the side buttons** offering complete protection for your phone without making it less practical to use. **KEY FEATURES:** 

- certified by drop tests from a height of up to 2 metres
- camera holes
- material: TPU
- · reinforced edges
