

Lightning male to female jack adapter

SKU: TEADAPTJACKMFIW

Adapter with 3.5mm universal female jack and Lightning male connectors, fabric cable, length 15 cm

Do not let your audio devices go unused. This adapter is perfect for connecting an **iPhone** or other device like **iMac** and **iPad Pro** with a Lightning port to **earphones or headphones with a male jack cable**.

Enjoy its versatility for both music and calls: this accessory features durable **Lightning male** and **3.5mm female jack** connectors.

This adapter with fabric cord boasts a **length of 15 cm** that ensures great practicality in use. You can comfortably hold your iPhone or iPad connected to the headphones you're wearing without having to get too close to it; or you can keep the device on your desk while you're sitting in your chair and listening to music from the headphones. Sound reproduction and audio quality are **always optimal**.

The advertisement features a white background with a grey braided cable. The top section shows the cable with a Lightning connector on the left and a 3.5mm jack on the right. The middle section shows the cable with the Lightning connector and a 3.5mm jack, with a small icon of a smartphone and headphones. The bottom section shows a person's hands holding a white Apple device (iPhone or iPad) and a pair of white headphones, with the adapter cable connected to the device. The SBS logo is visible on the cable connectors.
