

2 in 1 night sports kit

SKU: TEBDBELTFOOTLIGHT

Practice sport safely with the smartphone holder and shoe light kit

SAFETY: the LED attaches to your shoe to indicate your presence at the roadside, the touch window on the pouch allows you to use your smartphone without taking it out;

WEATHER IS NO PROBLEM: the pouch for smartphones up to 5" is waterproof and rainproof and the LED guarantees excellent visibility even in low light conditions;

NOT JUST FOR SPORT: for many activities such as running in the evening, jogging, cycling, camping, walking the dog or working at night;

EASE OF USE: the LED attaches easily to your shoe while the pouch has a comfortable adjustable strap;

STABILITY: will not slip or fall during exercise, more effective workouts without interruptions.
