

USB-C - USB-C 1 metre data and charging cable

SKU: TECABLETCC10W

The cable for charging your devices ultra fast

For devices with USB-C connectors

The **USB-C to USB-C cable**, with 25 Watts of charging power and Power Delivery compatibility, offers a fast and efficient charging solution for a wide range of devices such as **iPhone 15, Samsung Galaxy, Xiaomi, Oppo** and many more. The USB-C connector offers optimal **practicality**: it can be inserted from any side without difficulty.

Optimised charging power

With a **charging power of 25 watts**, this USB-C to USB-C cable allows you to charge your devices quickly and safely. Optimised charging power ensures that your devices quickly reach the desired charging level, saving you valuable time.

Power Delivery (PD) compatibility

Power Delivery (PD) compatibility makes this cable even more versatile. Power Delivery is an advanced technology that negotiates the best possible charging power between your device and the charger, ensuring efficient and absolutely safe **charging**.

Fast data transfer

In addition to charging, this USB-C to USB-C cable also offers the ability to **transfer data at high speed**. When connected to a laptop or PC, you can easily transfer files and data between your device and computer. This functionality makes it ideal for transferring documents, photos, videos and more. While data is being transferred, **the connected device is charged at the same time**.

Optimum length and anti-tangle effect

With a **length of 1 metre**, this cable offers just the right length to allow maximum flexibility in use. It is long enough to allow charging and use of the device while connected to the charger, yet short enough to be convenient to carry and store. The **anti-tangle effect** prevents the formation of annoying knots: store it where you want and how you want.

Key features:

- USB-C connectors
- charges and transfers data
- suitable for recharging up to 25 watts of power
- compatible with Power Delivery technology
- charge and sync: while transferring data, it charges the connected device
- length: 1 metre
- anti-tangle effect
- colour: white
