

USB and Type-C travel charger

SKU: TETRUSBTC3AUL

5.1 A battery charger with 2.1 A USB and 3 A Type-C outputs, Intelligent Charge, European plug

This **5.1 A travel charger** is the ideal accessory to charge your devices wherever you are.

Using it is very simple: simply insert the European plug into a wall socket and connect the power cable of your devices to the universal **2.1A USB** and **Type-C 3A** outputs.

In this way, you can charge **two devices at the same time**: smartphones and also tablets.

This power supply supports **Intelligent Charge** technology: thanks to this particular innovative system, the portable charger provides the required charge in a short time. In just 30 minutes, your device will already have an energy level of 70%.

The 5.1 A travel charger is a useful accessory to carry in your suitcase to tackle your trips without worries.

Features:

- 5.1 A battery charger
- 1 USB output of 2.1 A
- 1 Type-C output of 3 A
- Intelligent Charge
- Recharge type: ultra fast
- Device charge level after 30 minutes: 70% *

* Charging times are approximate and will depend on the battery capacity of the device being recharged
