

## Car charger with Parking function

SKU: TECR2USB31AFTAG

## A 3.1 A car charger with 2.1 and 1 A USB outputs and supports the Go Tracking app's Parking function

### ONE PRODUCT, TWO FUNCTIONS

The **3.1 A car charger** can quickly recharge your devices as well as locate your parked car. This power supply supports the Go Tracker app's **Parking function**.

### FAST AND SECURE CHARGING

Through its **two universal USB 1 and 2.1 A outputs**, you can power your devices quickly and easily.

Simply plug the charger connector into your car cigarette lighter: you can connect two devices to the USB outputs at the same time.

The **Intelligent Charge** technology enables the maximum recharge of your device in the shortest possible time.

After only 30 minutes of charging, the power level of your device will already be at **50%**.

### RELAXED PARKING

Insert the charger into your car's socket. The charger will connect **wirelessly** to the Go Tracker app on your smartphone. When you park your car, the app will record the exact location where you left your vehicle. When returning from work or an evening at the cinema or theatre, you will be able to use your mobile phone to easily locate the **exact spot** you parked your car.

### ALWAYS AT YOUR SIDE

This double function charger is a unique product: carry it with you to power your devices and to quickly and easily **find your car**.
