

Glass Screen protector 4D Full Screen for Huawei P20 with applicator

SKU: TESCREEN4DHUP20APK

Protective film in tempered glass with applicator for Huawei P20, black colour

THE PERFECT CHOICE FOR CURVED DISPLAYS

The **4D Full Screen glass protector** is the perfect accessory for protecting your **Huawei P20**. This protective glass screen adheres perfectly to the smartphone display thanks to its curved edges, providing you with an extraordinary degree of protection.

PERFORMANCE AND RESISTANCE

The properties of tempered glass are at the service of the user. The glass screen completely protects the display from impacts while still ensuring practical use of the touch functions. The glass screen protector is thin and guarantees a truly **unique clarity** and **visual quality**.

PERFECT APPLICATION, MAXIMUM PRECISION

The package includes, in addition to a wet and a dry wipe, a very **useful applicator** for effective and very simple application. Remove the dust and impurities from your smartphone screen, then place the applicator around the edge of your device and press until it's locked in place.

Place the glass screen on the lower short side and then position it perfectly on the display. You can then remove the applicator.

FEATURES:

- Material: tempered glass
- Full Screen
- Curved edges to protect the whole display
- Resistant to impact and scratches

- Applicator included in the package
