### Maximum stability and music wherever you go, even when you train

#### S-TRAINERS TRUE WIRELESS STEREO SPORTS EARPHONES: THE PERFECT CHOICE FOR TRAINING

The **TWS S-Trainers earphones** are perfect for your training sessions, offering you an excellent sound experience and optimal stability. In this short guide, discover all the reasons why you should consider these **sport earphones with headband** as your ideal choice or gift.

#### GUARANTEED STABILITY: EAR BANDS FOR EXCELLENT COMFORT

The **ear bands** of the S-Trainers sports earphones are designed to offer unparalleled stability during physical activity. Whether you're running, doing yoga or lifting weights, these earphones will stay securely in place, allowing you to focus only on your training. They're **made of soft silicone and don't irritate** even after long use or in contact with sweat.

#### AUTOPAIRING: EASE OF USE THANKS TO WIRELESS CONNECTIVITY

Thanks to the autopairing function, the S-Trainers **connect automatically with each other** once removed from the charging case. All it takes is one initial pairing with your smartphone and you'll be ready to lose yourself in your favourite music.

#### TOUCH CONTROLS AND VOICE ASSISTANT: INTUITIVE COMMANDS

Comfort is key, as S-Trainers know so well. With **i-touch controls**, you can manage music playback and answer calls with a few simple taps. What's more, **activating the voice assistant** allows you to manage your device without having to take your mobile phone out of your pocket.

### **EXCELLENT BATTERY LIFE: UP TO 4 HOURS OF CONTINUOUS PLAYBACK**

The S-Trainers earphones will accompany you during extended workouts without any problems. In fact, these headphones have long battery life of **4 consecutive hours** if fully charged. When you need to power them or simply store them after use, you can take advantage of the **base included**. Inside the package, you'll also find a **cable with USB-A/USB-C connectors** which will allow you to charge up the base once it has run out of power.

### **WATER RESISTANT: RAIN- AND SWEAT-RESISTANT IPX5 CERTIFIED HEADPHONES**

The SBS S-Trainers earphones are **IPX5 certified**, which makes them resistant to splashes of water and sweat. You can train in the rain or in sweat intensely without worrying about damaging your earphones.
