### Wireless earphones with Micro SD card slot and answer button, in black

#### WHY SHOULD YOU PICK THEM?

**Black Runner Wireless Earphones** are perfect when you want to practice sports and listen to your favourite music without hindrance or clutter.

In fact, thanks to wireless technology, you no longer have to worry about the annoyance of wires getting into a tangle. Just focus on your workout, and when you finish, store them away easily in their case.

#### MULTIFUNCTIONAL

These wireless earbuds feature a comfortable connecting band, enabling you to **undertake physical exercise unrestricted**. As they fit perfectly, you won't need to keep on adjusting them as you exercise.

The **answer button** means you need never miss a call when you are out in the open air: you can easily handle any urgent calls.

#### TECHNOLOGY AT YOUR FINGERTIPS

These sports earphones feature a slot for a **Micro SD card up to 32 giga**. The **MP3 player** allows you to listen to audio files in this format - so you can enjoy yourself while you exercise.

You'll be able to chat and enjoy your music for a long time: the headphones have listening and calling times of 5 and 6 hours respectively.

#### TAKE THEM EVERYWHERE YOU GO

When your sporting activity is over, you can put your Black Runner earphones away quickly and easily. In fact, the earphones come with a **practical fabric bag** to store them safely so you don't lose them.
