

Cover for iPhone 13 with camera protection

SKU: CMCOVCAMIP1361PAN

This patterned case protects not only the body of your device but also the cameras

ONE CASE, DOUBLE PROTECTION

There **Wonder Case** offers excellent protection to the body and the embossed cameras of your **iPhone 13**. This **single accessory** can help prevent your smartphone from being accidentally scratched or damaged.

THE COVER DESIGN: PROTECTION AND STYLE

The cover is made with a **double material** (TPU + PC). The back of the case is **rigid** and particularly resistant to abrasions, while the **edges are soft**. The protection for **the camera is also rigid**, to better protect the lenses from scratches and bumps.

ON-TREND CASES

The **colourful graphics** that characterise the Wonder Cases reflect some of the most famous **on-trend patterns**. Thanks to the particular production process used to make the cases, the designs **will not become discoloured** and have a **3D effect**.

KEY FEATURES:

- Rigid back
- Soft edges
- Protection built into the camera lens case
- Anti-scratch
- Coloured patterns that won't fade
