

# Woody in-ear earphones

SKU: TEJZWOODY

## In-ear earphones with wood finish, answer/end call button, built-in microphone, 3.5 mm jack cable

### WHY CHOOSE THEM?

The warmth and the subtle detail of the wood, together with the unmistakable sound of the Jazz range make the **Woody stereo earphones** a must-have for music lovers.

These wired earphones are characterized by their elegant and sophisticated shell and excellent sound quality. Listen to your favourite songs **like never before**.

### THE RHYTHM OF TECHNOLOGY

The **intuitive use** of these stereo headsets is another advantage: simply connect the universal 3.5 mm jack cable to the socket of your smartphone or tablet to start relaxing with the notes that soundtrack your life.

Thanks to the answer/end call button and **built-in microphone**, you can answer calls from friends and colleagues at any time.

### THE HARMONY OF COMFORT

The jack cable, with its anti-tangle wire, is characterized by the refined metal finish. Inside the package there are **3 sizes of rubber** pads to suit any need.

### A SOUND WITHOUT EQUAL

Let yourself be carried away by the subtlety of the notes, the rhythmic sections and typical jazz improvisation. Woody corded earphones allow you to enjoy an **unparalleled musical experience**.

Close your eyes, let yourself be lulled by the music and you'll feel like you're in the New Orleans of the '30s, surrounded by a melting pot of ethnic groups, sounds and colours.

### THE IDEAL GIFT

The packaging of Jazz range products is characterized by a description of the genre from which they take their name. The whole thing is complemented by a ticket that offers a special YouTube SBS playlist. An **original gift idea** to amaze all your friends who love good music.
