

Car smartphone holder with auto-lock

SKU: TESUPGRAVPRO

The car holder that auto-locks to keep your mobile phone completely secure

MAXIMUM STABILITY

This **car mount** is designed to provide your **smartphone** with optimal stability whether it's Apple, Samsung, Huawei, Xiaomi or Oppo. Its auto-lock adapts to your device perfectly while its clip allows you to attach it to the **air vent** with ease.

AUTO LOCK

With its **gravity mechanism**, all you have to do is rest your smartphone on the grip: its arms extend automatically and wrap around it. When you lift your device, the arms do the opposite, releasing it.

ADJUSTABLE AND TILTABLE

The clip can be adjusted and tilted so you can always have your phone in the best position for **facial recognition**. You won't get distracted while driving even if your phone enters standby.

DESIGN AND DIMENSIONS

The **metal** design gives this accessory a minimalist touch and makes it smooth under hand.

The **exclusive SBS design** makes this accessory unique and priceless.
