

## Vintage wireless speaker

SKU: ECVINTASPEAKERK

### Wireless speaker with AUX port, integrated subwoofer, vintage design, 12W\*2, 2200 mAh battery, 3.5 mm jack cable included

The **Vintage speaker** is Ekon's retro design model, with metal logo and case and leather effect finish. Well-defined deep bass, **built-in subwoofer**, a perfect vintage speaker for listening to your favourite music at full volume.

This **wireless speaker** connects to your smartphone or tablet with wireless technology and keeps the connection for a distance of up to 10 metres.

Vintage has enough power to listen to music for **about 5 hours**; then, thanks to the charging cable included, you can recharge it easily in just over two hours. And if you do not want to give up your music, you can also make use of the **jack-jack cable included** in the box to connect the Vintage speaker directly to your smartphone, tablet, PC, DVD or Blu-ray player.

At the top, we find **all the controls**: ON/OFF, play/pause, previous track/next track, volume control knob and AUX input to connect the 3.5 mm jack cable.
