

TWS Light - earphones with charging case and automatic ON-OFF

SKU: MHLIGHBTTWSG

True Wireless Stereo earphones with multifunction buttons for music and calls, gold

- 400 mAh charging base: insert the earphones and recharge them completely in about 90 minutes, without wires.
- Automatic on/off system: simply remove the earphones from the base to activate them and, once you have finished using them, put them back in to switch them off.
- Top-of-the-line audio quality: distortion is reduced to a minimum to ensure a clean sound both when you are on the phone and when you listen to music.
- Stereo sound even during calls.
- Built-in microphone and multifunction key to manage calls and music. Indeed, it is possible to pause, go to the next song, refuse a phone call or recall the last number.
