

3W wireless speaker Octopump

SKU: MHSPEAKERBTLB

Water resistant speaker with suction cup, keys for music and calls, built-in microphone and speaker phone, blue

- IPX4 certificate: water resistant for use in the shower, bathroom, kitchen or swimming pool.
- Thanks to its suction cup, the speaker can be used on many surfaces and can be fixed into even the narrowest corners.
- Use the keys to manage music: you can switch from one song to another and pause or start the music whenever you want.
- One click is enough to activate the hands-free function: thanks to the built-in microphone you can speak on the phone even while in the shower or when driving.
- The call button allows you to hang up or recall the last number. With the side buttons you can raise or lower the volume.
