

# Wireless karaoke speaker with microphone

SKU: MHSPKKARAOKE

## A multi-input speaker for karaoke evenings with friends

**Liven up your evenings with friends with this speaker, complete with a handle/stand and an included microphone**

This **10-Watt speaker** was designed for fun **karaoke evenings**. The practical handle, which allows you to **carry the speaker** anywhere, also acts as a stand to **hold your smartphone**. You can therefore follow along with the lyrics of your favourite songs on a phone screen for a super easy karaoke session. Plug the **included microphone** into the appropriate **6.3 mm jack socket** and have fun singing with your friends. The **2.9-metre** long **cable** ensures maximum freedom of movement.

**Wireless, TF cards, USB stick: listen to music from any source**

The **karaoke speaker** allows you to listen to **music for up to 5 consecutive hours**. You can wirelessly connect it to your smartphone, tablet or laptop: simply pair it via your device's settings. The **range of up to 10 metres** allows it to establish a stable connection even at a distance from the paired device. Behind the handle, you will find several ports to connect a USB stick, an SD card (up to 32 GB), and a **6.3 mm jack cable for the microphone (included)**. The **USB-C port** is used to charge the speaker: connect it to a mains socket or powerbank via the **included USB-A - USB-C cable**.

**The multicoloured LED lights create a party atmosphere to liven up any evening**

The case is equipped with a **flashing LED** that **changes colour** when you play music. Create your desired ambiance in a flash.

**Complete convenience: the integrated buttons ensure easy control over your music**

The integrated buttons allow you to **change song, adjust the volume, stop/play a song and switch the input** without touching the connected device.

**Key features:**

- multi-input: you can connect a device wirelessly or insert a USB-A stick, a TF card (max 32 GB), or a 6.3 mm AUX cable
- carrying handle with a smartphone
- stand function
- multicoloured LED lights integrated buttons to change songs, adjust the volume, stop/play a song, and switch inputs
- microphone slot
- playback time: 5 hours
- charging time: 2 hours
- wireless range: 10 metres

**Includes:**

- 1 USB-A - USB-C charging cable
- 1 wired microphone with a 6.3 mm jack connector
- 1 x instruction manual
