

Portable table stand for tablets

SKU: TASTANDALLUM

The 180° tilting aluminium table stand that is ideal for video calling and streaming

YOUR TABLET IS ALWAYS STABLE: IDEAL FOR EVERYDAY USE

The **portable table stand** keeps your tablet perfectly stable while video calling, watching streaming videos and writing text. The **rubber pads**, placed on the base and on the support element, provide an **ideal grip** to prevent your tablet from slipping.

In addition, the package also includes a handy Allen key that lets you adjust your tablet in the best way possible.

TILTS AND FOLDS FOR MAXIMUM COMFORT

The **180° tilt** makes this stand highly versatile, while the **flexibility of the arm** lets you use your tablet at your preferred height. This means you can use it standing up while following a cooking tutorial, or perhaps when sitting down to type text and draw as if it were a computer.

MADE OF ALUMINIUM: THE RIGHT LEVEL OF RESISTANCE FOR FREQUENT MOVEMENTS

This stand is made of aluminium, which ensures both **strength** and **lightness**. You'll be able to quickly fold it up and store it in a **backpack** so you can carry it with you at all times.
