

## Power Delivery 20W 10,000 mAh power bank, knurled matte

SKU: TEBB10000PD20RUW

**Secure grip, elegant finish and excellent charging performance: the right charger for your daily needs**

### THE CHARGER YOU NEED

The **Power Delivery 20W 10,000 mAh power bank** is a perfect mix of style, practicality and performance. The finishes and the technologies used make it a **versatile accessory** to face small daily needs with confidence.

### PERFORMANCE: FAST CHARGING

The portable charger has two outputs: a **USB-C Power Delivery** capable of delivering up to 20W of power and a **10W Intelligent Charge**

With the USB-C port, you can safely charge a smartphone in 30 minutes and a tablet in 60. The standard USB will still provide a fast power supply without the charged devices being overloaded or short-circuited.

### THE PORTABLE CHARGER

The powerbank is compact and boasts a sleek **matte** finish that accentuates the design of the accessory. The body is also **knurled** : a design solution that ensures a good grip and prevents the charger from inadvertently slipping out of your pocket.

### CHARGE TWO DEVICES AT ONCE

It's possible to use **both outputs at the same time** to power two devices at once, but in this case, you won't be able to take advantage of PD fast charging.

### POWER BANK CHARGING

Thanks to the **USB-C** input you can recharge the portable charger once the power inside is depleted. Check the level thanks to the

#### **4 status LEDs.**

#### **KEY FEATURES:**

- 10,000 mAh capacity
- 20W Power Delivery
- Intelligent Charge
- 1 2.1A USB output
- 1 2.1A USB-C output
- Matt knurled finish
- USB-C input to charge the power bank
- USB - USB-C charging cable included
- Smartphone charge level after 30 minutes with USB-C: 100%\*
- Tablet charge level after 60 minutes with USB-C: 100%\*.
- Lithium polymer battery
- Can be taken on flights

\*Charging times are approximate and depend on the battery capacity of the device being charged.
