

Power Bankank, 5200 mAh – Unbreakable Collection

SKU: TEBB5200UN1UFK

Power Bank with reinforced case, water resistant, with Intelligent Charge

THE INDESTRUCTIBLE ACCESSORY FOR ANY EMERGENCY

The **5,200 mAh Power Bank** from the **Unbreakable Collection** is a practically indestructible accessory for recharging your smartphone or tablet safely.

Its **reinforced case** and **resistance to strong jets of water** make it a suitable product for every situation.

INVINCIBLE AND FAST LIKE A SUPERHERO

This Power Bank enables you to charge your smartphone or tablet **quickly and easily**. Simply lift the small cover that protects the USB and Micro USB ports to connect the charging cables.

Intelligent Charge technology allows this energy accumulator to automatically recognise the absorbable charging power of your device and adjust accordingly. It can therefore provide maximum recharge in the shortest possible time.

In fact, the 2.1A USB output port allows you to reach a charge level of **50%** in just 30 minutes. The Micro USB input port will instead allow you to recharge the Power Bank.

EXTREME SITUATIONS: NEVER AGAIN A PROBLEM

The Power Bank's case has undergone **stringent drop tests** or fall simulations, which have certified its excellent resistance. Furthermore this product is resistant to water jets, even of strong intensity.

In addition to status LEDs indicating the battery level, this accessory is equipped with a **torch** that enables use in the dark or in poor visibility.
