

This Book Sense case for **Motorola One Vision** phones protects the touchscreen from **scratches** and **dirt**. In fact by closing the cover of the book, it is possible to **isolate** the entire screen surface. Opening the case is **quick**, easy and convenient: just a small movement for access to **all** the phone functions. The hole on the back allows the camera and flash to take pictures at any time. The base of this case turns into a practical **stand** for holding up your smartphone. With the stand in place, watching videos on your phone will be completely **comfortable**.
