

USB-C to USB-C cable

SKU: TECABLETC3AK

With this cable, charging, syncing and data transfer will be fast and easy for devices with a USB-C connector

HIGH SPEED

This cable is designed to connect devices with **USB-C ports**, such as laptops, smartphones or tablets. With this cable you will be able to **charge, sync and transfer data**, such as videos, music and documents, at an optimal speed.

UPLOAD AND TRANSFER

This cable supports **Power Delivery technology up to a power of 45W**, allowing you to power your device quickly and safely without risk of a short circuit or of overheating your device. Plus, the USB-C cable lets you **charge and sync data simultaneously**: while it transfers photos and music to your laptop, it powers your smartphone.

REVERSIBLE CONNECTORS

The **USB-C connector is reversible**, meaning you no longer have to worry about turning it the right way up to insert it into your device. What's more, the **1 metre length** and **anti-tangle finish** make it compact and convenient to take anywhere without worrying about storing it in a case.

DISTINCTIVE FEATURES:

- two USB-C connectors
- Power Delivery technology with up to 45W of power to recharge and transfer data at high speed
- able to recharge and transfer data simultaneously
- anti-tangle finish prevents knots and tangles

- the 1 metre length
