

USB-C to USB-C Cable

SKU: TECABLETC5AW

Data and Charging, Power Delivery compatible up to 65W

This cable is ideal for connecting together devices that have **USB-C ports** . It is therefore perfect for transferring power but also data such as videos, photos and music.

The 5A cable supports **Power Delivery technology** up to a maximum power output of **65W**. If your device is compatible, then the cable can safely transfer power between devices at the highest possible speed.

The **reversibility of the connectors** means they can be easily inserted into devices in either direction.
1 metre long, it features **an anti-tangle finish** to prevent knots and tangles.

Features:

- 2 x 5A USB-C connectors
- Supports Power Delivery Technology up to 65W
- Reversible connectors
- Length: 1m
- Anti-tangle
