USB-C Data and Charging Cable

SKU: TECABLETCC2MW

The 3m long cable with two USB-C connectors is ideal for charging and transferring data between your devices

FOR CHARGING AND TRANSFERRING DATA

This **cable** is designed **to connect two devices with USB-C port**. When connected to a wall charger or power bank, the cable can charge a smartphone or tablet. You can also **charge and transfer data at the same time** by connecting your device to a laptop.

EASY TO USE

To use the cable, simply plug one of the two connectors into the USB-C input of a power source or data-receiving device. Connect the other connector to your smartphone, laptop or tablet to start charging or transferring files such as pictures, videos or music. The cable's 2**-metre length** lets you connect devices that are far apart.

SUPER PRACTICAL

The USB-C connectors are **designed to be plugged in either way up**, making connecting your devices super easy. The cable is always ready for use thanks to its **anti-tangle finish** which prevents knots from forming.

DEFINING FEATURES:

- two USB-C 2.0 connectors
- simultaneous data transfer and charging
- anti-tangle finish
- 2-metre length
