

USB - Lightning cable in aramid fibre

SKU: TECABLEUNKELIGW

Tangle-free cable in aramid fibre resistant to 100,000 folds for charging and data transfer, with USB 2.0 and Lightning connectors, 1 metre long

The **Unbreakable Collection** is enriched with the **USB - Lightning cable** made of **aramid fibre**: the ultra-resistant accessory to face any need.

Thanks to its special material properties, this cable for charging and data transfer is suitable for **extensive and long-lasting use**. The reinforced connectors have passed a stress test of **100,000 folds**: you can use it even in narrow corners where the fold is particularly accentuated.

The 1-metre long cable is **tangle-free** for a really practical use: you no longer have to worry about knots and tangles.
