

USB 2.0 Aramid Fibre Reflective Cable - Type-C

SKU: TECABLEUNRETC2YK

Resistant Aramid Fibre Charging and Data Transfer Cable with USB 2.0 and Type-C Connectors, 2m, orange-black. Tested under 50,000-bends stress conditions.

THE CABLE YOU'VE BEEN SEARCHING FOR

The **Unbreakable Collection's USB 2.0-Type-C reflective data and charging cable**, available in different colours, boasts amazing versatility. Use in low-light to connect distant devices without having knotting or tangling. It's bend-resistance ensures a long-lasting use.

REFLECTIVE CABLE: THE RIGHT SOLUTION

Often you have to connect devices in low-light areas or where lighting is not ideal. Finding the various ports for inserting the connectors can be hard. This cable features a reflective finish that allows **you to use it comfortably, even in the dark**. This coloured cable gives off light effects and reflections, making it highly attractive.

INCREDIBLE RESISTANCE

This USB 2.0 Type-C cable is made of **aramid fibre** which withstands stress due to bumps or bends. Its **50,000-bends** stress testing certifies the durability of this accessory which also has reinforced metal connectors.

HANDY

The cable is **2 metres long** and has a braided weave that **resists tangling** and is pleasant to the handle. These features allow for versatile use. Rewind the cable quickly and easily after using it to connect distant devices.

FEATURES:

- Made of aramid fibre
- USB 2.0 and Type-C reinforced connectors
- Reflective
- Suitable for charging, transferring and data synchronisation
- Tangle-free
- Length: 2 metres
- Stress test: 50,000 bends
