

360° Full Body cover for iPhone 15 - Extreme Collection

SKU: TECOV360IP1561

Transparent touch-responsive cover for front and back protection of the iPhone 15

The **360° Full Body cover** is an accessory that protects the front and back of your **iPhone 15** without affecting its use.

The **transparent case** consists of two parts with holes for cameras and sensors. Once in place, all the display features can be used thanks to the touch-responsive properties of the screen protector.

This anti-shock cover has passed **impact tests** (drop test) from a height of two metres: a certification that reinforces its excellent resistance to bumps, scratches and accidental falls.

Thanks to its ultra slim design, this protection is discreet and comfortable to carry in a jacket or in pockets. An **invisible armour** for your iPhone 15.
