

Studio Mix 105

SKU: TEEARLIGHAPB

Lightning cable earphones, metal connector, semi in-ear design

Plug into what you love. The **Studio Mix 105** semi in-ear stereo earphones offer a balance of simplicity, usability and lifestyle.

Their **MFI (Made For iPhone) Lightning connector cable** is compatible with most Apple devices including iPhone, iPad and iPod. Its **120 cm** length guarantees great practicality. Made from **metal**, the connector is extremely durable.

Device connection is seamless and the audio signal transfer is always clear with no interference.

The Studio Mix has a **built-in microphone** and a **controller** for adjusting volume, answering or rejecting calls and changing tracks.

Features:

- MFI device: this accessory is made to support Apple devices and is certified by the manufacturer to meet the performance standards set by Apple.
- Semi in-ear design
- Metal MFI connector
- Built-in microphone
- Answer/end call buttons
- Volume control buttons
- Cable length: 1.2m
