

Twin Buds wireless earphones

SKU: TEEARTWSHOPBTA

Wireless earphones with portable 300 mAh charging base, Bluetooth V 5.0 and multifunction button for calls and music

WHY CHOOSE THESE?

Answering calls and listening to music is so incredibly easy with the **Twin Buds wireless earphones**. Store and charge them using the base included with the product.

COMFORT

They're **so lightweight** that you won't even realise you're wearing them. They also adapt perfectly to your ear due to the **semi in-ear design**, guaranteeing an excellent fit.

TECHNOLOGY

Benefiting from **True Wireless Stereo** technology, the earphones connect to each other wirelessly.

This accessory has a **built-in microphone** for talking to your caller and **multifunction buttons** for managing your music and calls.

You can also adjust the volume, use the voice assistant, switch from one track to another and end or reject a call.

CHARGING

The **portable 300 mAh charging base** can be used to store and charge the earphones.

The Twin Buds earphones turn on automatically when removed from the base and turn off automatically, without pressing any buttons, when returned to the case.

When the charging base runs out of power, you can charge it using **the Micro USB port** on the device and the **cable supplied** with the product.
