

Recycled plastic cover for iPhone 11 Pro

SKU: TEECOCOVIP5819G

Cover made from 100% recycled plastic, plastic-free packaging, green colour

Perfect for protecting the environment and your smartphone. The **recycled plastic cover** represents a style choice with a low environmental impact.

The case is **100% made from recycled plastic**: that which could be waste, is instead given new life and turned into a useful product for your mobile.

The presence of the GRS (Global Recycle Standard) logo certifies that the cover is made from recycled materials, in compliance with environmental and social criteria extended to all phases of its production cycle.

Sustainability and ethics are combined in this case that wraps the power and volume keys of your device, leaving the holes for sensors, connectors and cameras free.

Soft and pleasant to the touch, it can be fitted in an instant and guarantees protection from small impacts, scratches on the casing and dust infiltration. The minimal design does not overpower the contours of your smartphone and gives the device a fresh and youthful appeal.

The **eco pack** renounces its plastic components opting for a totally paper composition.
Characteristics:
