

DJ Beat wired stereo headphones

SKU: TEHEADPHDJBEATW

Folding headphones with 3.5mm gold-plated jack connector with music and call controller, integrated microphone and soft, ergonomic ear cups

EASY CHOICE

The ***DJ BEAT wired headphones*** represent a practical and comfortable choice for those who want to enjoy their favourite music without missing out on incoming calls.

LIKE A GLOVE

Comfort is to the fore: the **ergonomic ear cups** are made of soft material to ensure an excellent fit. Practicality is no less important: the **headphones are foldable** so they take up less space and can be easily stored in a backpack or drawer.

WIDE COMPATIBILITY

The **cable with gold-plated jack connector** ensures an easy and stable connection. The wide compatibility of this universal 3.5mm connector ensures use with smartphones, PCs, speakers and many other audio devices. In addition, the cable length of **150cm** guarantees great flexibility in use. Keep your smartphone in your pocket while wearing the headphones, or watch a video while you're sitting in a chair and your device is on a shelf.

MUSIC AND CALLS

The headphones are perfect for listening to music but also for receiving calls. They are equipped with a **controller** (which has a built-in microphone) for managing tracks and phone calls.

FEATURES:

- Stereo
- 3.5mm jack cable 150 cm long
- Foldable
- Ergonomic ear cups made of soft material
- Controller with integrated microphone
