

# In-ear stereo headset with Lightning connector

SKU: TEINEARLIGHTK

## In-ear headset with Lightning cable, equipped with integrated microphone, answer/end call button and volume control

### THE RIGHT CHOICE

Let yourself be enchanted by these **stereo earphones with Lightning cable**. These headphones are designed for Apple lovers who never give up their iPhone, iPad or iPod.

The sophisticated metal finish offers a trendy and refined touch that matches perfectly with the most famous "Apple" products in the world.

### PRACTICALITY BY YOUR SIDE

These earphones are very simple to use: you just have to connect the Lightning connector to the **dedicated input** of your Apple device.

Thanks to the integrated microphone and the answer/end call button, you can quickly and easily answer incoming calls. Enjoy your favourite songs: the **multi-function button** lets you control the volume and pause your playlist.

### CARRY THEM AROUND WITH YOU

These in-ear wired earphones are distinguished by an elegant design that makes them the perfect accessory to **amaze during any occasion**.

### FEATURES:

- Stereo for calls and listening to music
