

TWS Loop

SKU: TEJZEARLOOPBTTWSK

TWS earbuds, 400mAh charging case, in-ear design

PERFECT CHOICE

Listening to music or answering calls is very comfortable with **Loop wireless earbuds**. You can recharge them via the case or another accessory that provides power **wirelessly**.

Stylish, cutting-edge accessories with refined material details that reflect contemporary style. Introducing JAZ, an acronym for Just Audio Zone, the brand that stands for high fidelity reproduction, perfect for an optimal listening experience.

TECHNOLOGY

Using **TWS (True Wireless Stereo) technology**, the headsets pair with each other without the need for wires.

This accessory features a **built-in microphone** for talking to your caller and **multi-function buttons** for managing music and calls.

MONO AND STEREO

These TWS earbuds can be used together or individually. In fact, **Dual Leader** technology allows you to use a single earbud to make phone calls while the other is in the charging cradle.

POWER

The **400 mAh pocket-sized charging case** allows you to store and power your earphones.

When the case runs out of charge, it can be charged via the cable included in the package.

In addition, you can charge your headset wirelessly by simply placing it **on a pad or powerbank** that is compatible with wireless charging.
