

# ARX - Adjustable wireless headphones, 16 hours of battery life on one charge

SKU: TEJZHEADPHARXBTK

**These wireless headphones have integrated controls for music and calls and guarantee maximum comfort**

## ARX WIRELESS HEADPHONES: OPTIMAL COMFORT AND LONG BATTERY LIFE

**ARX wireless headphones** are perfect for those seeking a comfortable accessory for listening to music and making calls thanks to their padded earcups and adjustable headband. On just a single charge, the battery life lasts an impressive **16 consecutive hours**. They are compatible with all phones that support wireless connectivity such as iPhone, Samsung, Oppo, Xiaomi and other brands.

## BATTERY DURATION AND HOW TO RECHARGE THE HEADSET

The headset, when fully charged, allows you to listen to your favourite playlist or make calls for 16 hours straight. When the battery power within the ARXs is finished, you can use the cable with **USB-USB-C** terminal to connect them to a power source.

## COMFORTABLE HEADPHONES: PERFECT FOR PROLONGED USE

The padded earcups ensure a high degree of comfort while listening. The **headband is adjustable** to ensure an excellent fit. Wearing them will be a comfortable experience, even for extended periods of time.

## MUSIC AND CALL MANAGEMENT MADE EASY

The multifunctional **keys** allow you to manage music and calls with ease. You can adjust the volume, accept or reject a call, redial the last number, select the previous or next track and even pause.

## KEY FEATURES:
