

Smooth 2 in 1 wireless stereo speaker

SKU: TEJZSPEAKSMOOTHBTS

10W stereo speaker with Bluetooth V5.0 wireless technology, equipped with AUX port, Micro SD slot and magnetic coupling of the two speakers

THE ANSWER TO YOUR NEEDS

The Smooth speaker meets the needs of those looking for a **versatile, multifunctional product** with a **deep bass** sound.

The product incorporates two speakers that attach to each other via magnets, so you can separate them to place in various locations in your home. It is also equipped with **an AUX input and a jack socket** for headphones and music players.

Finally, there's a **slot for Micro SD cards up to 32 GB capacity**: listen to your playlist in the mode you prefer.

2 in 1

Let yourself be carried away by the stereo sound of the two speakers: total power of 10 watts gives a full-bodied sound that enhances music playback.

Pair your smartphone to the speaker in **Bluetooth** mode: listen wirelessly to the songs you love. You can separate the speakers and place them at the sides of your desk, or a maximum of approximately 5 metres apart.

You can pair a different smartphone with each speaker: lend one to a friend or let your kid use one in the bedroom.

CHOOSE THE RIGHT MOOD

The Smooth speaker is versatile: listen to music in the **mode you prefer**, not just wireless.

You can insert a 32 GB Micro SD card into the dedicated slot to listen to songs stored on this type of media. The AUX and jack ports also allow you to connect other music players.

ANSWER CALLS

You can answer incoming calls with the speaker's **built-in microphone**. Just get close to the speaker and respond.

STYLE ANYWHERE

Smooth features a PVC coating that gives this accessory a refined **wood effect**. The warm shades and grain of this design give the speaker a timeless charm.

The package includes a **TPU case** for maximum protection, and transport when required. So you never need to be separated from your music.

EASY CHARGING

In the package there is a **USB - Micro USB cable** to power the speaker through the dedicated input. **Smooth fully recharges in about four hours**.
