

Fast charging kit for iPhone and iPod

SKU: TEKITR2ULH21AFast

Wall charger with 2 USB outputs, cable with USB connectors - 120 cm long lightning

Will *you* be more charged for a new, exciting trip or will your Apple devices?

This charging kit contains two useful accessories for **fast charging** of iPhones, iPads and iPods.

The wall charger features two USB outputs of 1A and 2.1A for charging two devices simultaneously. The **Intelligent Charge technology** that characterizes the blue USB port allows this charger to automatically recognize your device's maximum charging capacity and regulates it accordingly. This means that your device can be charged in the shortest possible time. In fact, it takes just 30 minutes to charge your device by **50%**. Also included in the package is a cable with USB-Lightning connectors for charging. **120 cm** long, it guarantees a great versatility of use. If necessary, it can also be used to synchronize and transfer data between different devices.

A unique kit for Apple Addicts that often have to travel around for leisure or work.

Features:

- "Made for Apple" device: accessories designed to support Apple devices,** with certification of the manufacturer's compliance with the performance standards required by Apple.
