5000 mAh School powerbank

SKU: TESCBB5000G

5000 mAh battery-charger using Dual and Intelligent Charge technologies, 1 Type C 2A input/output, 1 Micro USB input and 1 USB output (2A), colour: green

THE RIGHT CHOICE FOR ALL REQUIREMENTS

It looks like a diary but is used for recharging smartphones, earphones or other small devices such as joysticks, speakers or action cams.* The 5000 mAh ***School Powerbank*** is the **multi-input battery charger** which is charged via a **Type C** or **Micro USB** input, providing an alternative, if necessary.

RECHARGE TWO DEVICES AT ONCE

The Type C port is not only able to recharge the powerbank, but may also be used to charge another device. Together with the 2A USB output, this battery-charger is thus able to power **two devices at once** such as, for example, a smartphone and wireless headphones or an e-reader and earphones.

TECHNOLOGIES AND PERFORMANCE

The School powerbank features **Dual Charge technology**: it can be charged while it is powering a device.

Thanks to the **Intelligent Charge** system it is possible, moreover, to charge your devices quickly without overcharging or overheating. In just 30 minutes your device will already be **50%** charged, using only the 2A Type C or USB output.

INSEPARABLE TRAVEL COMPANION

Smaller size, thin: the School powerbank can be **taken on-board aircraft without any restriction whatsoever**. It fits perfectly in a bag, backpack, pocket or in your waist-pack. Thanks to the belt strap it can be attached to a clip or buckle.

FEATURES:

- 5,000 mAh capacity
- Dual Charge
- Intelligent Charge
- 1 2A USB output
- 1 2A Type C output
- Micro USB and Type C inputs for charging the powerbank
- USB - Micro USB charging cable included
- Smartphone charge level after 30 minutes with Type C or USB: 50%**
- Lithium polymer battery
- Can be taken on flights

*if the device's input properties are compatible with the output properties of the powerbank.

**Charging times are approximate and depend on the battery capacity of the device being charged.

5000 mAh School powerbank
SKU: TESCBB5000G

Technical data

Color: green
EAN: 8018417272837
SKU: TESCBB5000G
Weight: 120 g
Recharging cable: USB - Micro USB Cable
Input: 5V - 2A Type C, Micro-USB
Output: 5V - 2.1A USB, 5V - 2A Max Type C
Battery: Lithium polymer battery
Technology: Dual Charge, Intelligent Charge
Included accessories: Charging cable
Battery capacity: 5000 mAh
Recharging cable length: 20 CENTIMETER
