

## 4D Full Glass screen protector for Samsung Galaxy Note 20 Ultra

SKU: TESCR4DSANO20PK

### 4D screen protector in tempered glass for Samsung Galaxy Note 20 Ultra, colour black

This special **display protector**, made of **tempered glass**, provides maximum resistance to shocks and scratches.

**Even with the protector applied to the screen, you can use the fingerprint recognition of your smartphone.**

The 4D screen protector adheres perfectly to the screen of your Samsung Galaxy Note 20 Ultra, leaving openings for the camera, microphone and sensors. It has been specially designed to **absorb impacts**, to keep your display in perfect condition. The 9H degree of hardness ensures the solidity of the product.

The **rounded corners** allow the screen protector to adhere to the smartphone screen.

The protector is treated with a special **oleophobic coating**, which makes annoying fingerprints on the screen less visible.

Application of this curved screen protector is extremely simple: use the **two cloths** included in the package (one damp and one dry) to clean and dry the screen and fix the protector on the screen, paying special attention to the corners.

Features:

- Ensures fingerprint recognition
- Material: tempered glass
- **Curved edges** to protect the entire display
- Shock and scratch resistant

4D Full Glass screen protector for Samsung Galaxy Note 20 Ultra
