

4D Full Glass Screen Protector for TCL 20 Pro 5G

SKU: TESCR4DTCL20PK

A protective film made from tempered glass for TCL 20 Pro 5G, black color

This special **protective film**, which is actually made from **tempered glass**, provides protection for your TCL 20 Pro 5G from **bumps** and **scratches**.

It adheres perfectly to the display of your TCL 20 Pro 5G, freeing space for the camera, microphone and sensors.

It has been specially designed to **absorb impacts** and ensure a perfect display while **rounded edges** allow the screen protector to adhere to the smartphone screen.

The film is covered with a special **oil-repellent coating** that makes annoying spots on the screen appear less visible.

Applying this protective film is **extremely simple**: use the two cloths included in the package (one wet and one dry) to clean and dry the screen. Then, gently press the protective film onto the screen, paying particular attention to the corners.

Features:

- Material: toughened glass and silicone
- **Curved edges** to protect the entire display
- Shock proof and scratch resistant
