

Wireless speaker with inflatable

SKU: TESPEAKFLOATUNI

Blow up the island-shaped inflatable and place the speaker in its slot, so you can even play your music on the water or snow

MAXIMISE FUN WITH THIS WIRELESS SPEAKER AND FLOAT

A fantastic accessory for your beach getaways or snowy holidays: this **wireless speaker with an inflatable** lets you bring your music with you whether you're in the water or tobogganing through the snow. **Blow up the inflatable and place the speaker in its slot**. This keeps the speaker secure while it's gently floating on the water or gliding smoothly on the snow.

IPX6 CERTIFIED SPEAKER THAT PLAYS MUSIC FOR UP TO 2 HOURS

The **3W wireless speaker** can play **up to 2 hours of music** and, when flat, is **charged using the charging cable included**.

Its **IPX6 rating** ensures **total resistance to water splashes, snow and rain**. It is not suitable for full immersion in water.

EASY TO INFLATE WITH THE PUMP PROVIDED

Using the **pump included**, inflating the float is quick and easy. When deflated, you can easily fold it up and store it in a backpack or bag.

The inflatable and speaker **come in different colours and patterns**: choose the combo that will make your holidays and days off the most fun.
