

Beat Spirit Watch

SKU: TESPORTBEATCOLHRM

Fitness tracker with 1.3" colour TFT LCD display, aluminium casing and a heart rate control. Ideal for monitoring sport activity

CHOOSE THE SPIRIT OF SPORT

The **Beat Spirit fitness watch** offers apt functionality for anyone wanting to quickly see activity or training-progress data, while also providing message and call notification.

SPORT AND WELL-BEING CAPABILITY

Beat Spirit features refined **aluminium casing** and an extremely comfortable adjustable strap.

The colour **TFT LCD display** is bright and intuitive, showing varied information including the date, time, current weather situation, number of steps or distance covered, heart rate and calories burned. Beat Spirit is equipped with a stopwatch, an ideal tool for all those who want to keep track of their performance times.

This watch is a great ally for maintaining a healthy lifestyle, allowing you to discover the benefits that physical activity brings. In fact, you can send yourself a notice reminding you when you are inactive for too long.

BEAT SPIRIT IN YOUR EVERYDAY ROUTINE

The display indicates the clock battery level as well as social network and SMS messages and calls. It's also possible to set a "do not disturb" mode, blocking these notifications when you are busy.

Worn during the night, Beat Spirit allows you to evaluate your **quality of sleep** and distinguishing between amounts of light and deep sleep. You can set **silent alarms** by day and time. The clock will then wake you up by silently vibrating when it is time to get

out of bed.

HOW TO ANALYSE YOUR PROGRESS

Beat Spirit is able to monitor **heart rate and distance covered. You can record your workouts.** Start the clock with your workout and the data collected by the fitness tracker will be available on your smartphone. This is made possible by the Go Life App, downloadable for free from the App Store and Google Play Store. With Go Life, you can also share this data with Apple Health on iOS or Google Fit on Android. You'll be able to track your progress and performance over time.

EASY RECHARGING

The 180 mAh battery offers **a charging life of up 7 days** . To power the watch, you use the included charging cable and it takes about 2.5 hours for a full charge.

FEATURES:

- The device supports the Go Life App, compatible with iOS (version 10.0 and later) and Android (version 6 and later)
- It monitors steps, heart rate, calories, distance covered, and quality and duration of sleep
